

Booking the conference on Trybooking

You can register, book optional activities and dinner, then pay for it all online using card, Paypal or Gpay. There is also an option to book online and transfer the payment direct to Bridgetown Historical Society – more on that below.

When you open the Trybooking link (<https://www.trybooking.com/CFZXM>), select BOOK NOW at top right.

The window below will open. Unless a session is booked out it will show “Available”. The example here shows all sessions closed as bookings were not open at time of writing. To register for the conference select the Friday session.

Select a session

Selecting the Friday session will register you as a conference delegate.
Optional tours and the Saturday night dinner require separate tickets.

If you wish to bring a partner or friend who is not a delegate to the Welcome Function you may do by selecting the free partner ticket. Please note there are capacity limits for partners.

When you click NEXT you will be taken to the page where you fill in your details. If there are two or more in each booking, each person will need to supply the information asked. You will be required to indicate if you are coming to the Welcome Function. If you are not coming you can collect your name badge and bag before the Saturday morning conference session. If you have no transport whilst in Bridgetown you also need to tell us for planning purposes. Click NEXT
